FOR IMMEDIATE RELEASE

Prime Pacific Bank Opens Second Lynnwood Branch

April 21, 2009 ð Prime Pacific Bank recently announced the opening of its fourth location in Snohomish County. The new location at 25026 196th St. SW is the bank's second in Lynnwood. The bank also has branches in Kenmore and Mill Creek.

ðWe are thrilled about this new location,ö said Glenn Deutsch, President & CEO of Prime Pacific Bank. ðThe new branch is adjacent to a large shopping area and enables us to take better advantage of the traffic on the east side of I-5. It's about 2,000 square feet larger than our current headquarters site. It afforded us the opportunity to obtain a permanent location for our head office which we own, with room to expand out of our overcrowded leased location at 4710 - 196th St. SW. That location will remain open as a branch.ö

The new branch is open for business and a Grand Opening is planned following the relocation of our administrative offices in early June, said Deutsch.

Three new staff members recently joined Prime Pacific Bank to work at the new location. They are Randi Dasalla, Angela Jackson and Becky Gibbs. David Smith, who worked at the original Lynnwood branch, also works at the new location.

ðIf you can't wait for the Grand Opening please take the opportunity to stop in and meet our newest staff members, all experienced bankers, some of whom have worked at this same location for many years and who are very knowledgeable of the area,ö said Deutsch.
